## **Monday 2:40pm-3:40pm**

- **CHESS** - Chess is a great way for children to learn so much more than just 'a game'. Join Pedro and learn how to play or improve your skills!  
Cost: \$100
- **ART CLASS** with Mrs. Galvan - Join us for a fun and creative journey through various art forms including painting with watercolor and acrylic mediums. Supplies are included.  
Cost: \$135
- **KIDS CULINARY ACADEMY! FALL FIESTA** - It's the perfect time to cozy up with the flavors of Fall. Students learn everyday knife and math skills as they explore the culture and nutrient components of each "no cook" recipe.  
Cost: \$195

## **Tuesday 1:40pm-2:40pm**

- **CREATIVE FABRIC DESIGN & TIE-DYE** with Coach Alex - Unleash your creativity in this hands-on class where you'll design, dye, and decorate your very own shirts, socks, bags, and more! Using a variety of materials, including vibrant tie-dye techniques and fabric paints, students will explore artistic expression through colorful designs and custom creations. Get ready to add a splash of color to your wardrobe!  
Cost: \$150
- **SPORTSWORLD!** - This program is a fun and exciting way for kids to develop their motor skills while learning the basics of many different sports and games. Dribbling, passing, shooting, and hand-eye coordination are all practiced as students play basketball, soccer, dodge ball, capture the flag, and much, much, more. Our emphasis is on sportsmanship. Join us! T-shirt included.  
Cost: \$155

## **Wednesday 2:40pm-3:40pm**

- **WEIRD & WACKY SCIENCE** - This class is filled with cool new hands-on experiments each week based on concepts such as: growing amazing crystals, magnetism, static electricity, gravity, and so much more!  
Cost: \$190
- **BASKETBALL** - Join Coach De Leon and develop or hone your basketball skills in this fun, educational, and active class that will improve your dribbling, shooting, passing, rebounding, defense and agility!  
Cost: \$100

## **Thursday 2:40pm-3:40pm**

- **TOY MAKERS WORKSHOP** with Mrs. Galvan - Get ready to roll up your sleeves and bring your imaginative ideas to life! In this hands-on class, students will build and personalize their own toys using a variety of materials, from paper to fabric to clay and recycled items.  
Cost: \$150
- **LEGO MASTERS** - Being LEGO Smart is more than building with LEGO bricks--it's having the ability to work in teams, solve problems, and create solutions, as you explore your creativity! Join us for the perfect combination of learning and fun.  
Cost: \$165

## **Friday 2:40pm-3:40pm**

- **SOCCER** with Coach Adonis - Whether you're new to the game or looking to sharpen your technique, this class covers everything from dribbling and passing to teamwork and game strategies. Get ready to kick, score, and learn valuable skills that will help you shine on and off the field!  
Cost: \$100
- **STEAMLab INVENTOR'S WORKSHOP** - In this interactive, STEAM-based class, students will not only learn about the amazing history of famous inventors, but will also create, modify, and demonstrate their own designs! (Grades 1-5 only)  
Cost: \$185
